 Address: JibanJote, Naksalbari, Darjeeling, West Bengal - 734429

## PROFESSIONAL SUMMARY

Highly motivated and detail-oriented Bachelor of Computer Applications (BCA) student seeking an entry-level Software Engineer role. Strong foundation in Object-Oriented Programming, web technologies, and data structures, with a keen interest in building scalable, efficient, and maintainable software solutions. Demonstrates excellent problem-solving skills, adaptability, and professional communication.

## TECHNICAL SKILLS

Programming Languages: Python (Beginner to Intermediate), SQL

Web Technologies: HTML5, CSS3, JavaScript (Fundamentals)

Databases: MySQL (Basic queries and schema design)

## PROJECTS / ACADEMIC APPLICATIONS

- Both projects are group projects co-developed by (Anil, Keshab, Masruf)
- Repository Name: Aws-mastery-hub  
Description: A comprehensive web platform for learning AWS from zero to advanced. Features certification paths, interview prep, and real-world project modules.
- Repository Name: Cafe-Restaurant-Food-Ordering-System  
Cafe Food Ordering System is a group project that allows users to view a menu, place food orders, manage quantities, and calculate the total bill using Python and a web-based interface built with HTML, CSS, and JavaScript.

## EDUCATION

| Degree / Certification                  | Institution                      | Location                              | Year                 |
|-----------------------------------------|----------------------------------|---------------------------------------|----------------------|
| Bachelor of Computer Applications (BCA) | SB College of Management Studies | Bengaluru, Karnataka                  | 2023 – Expected 2026 |
| Class XII                               | ST Vincent HS School             | Hatighisa, Siliguri, Darjeeling , WB  | 2023                 |
| Class X                                 | ST Vincent HS School             | Hatighisa, Siliguri , Darjeeling , WB | 2021                 |

## **LANGUAGES KNOWN**

English, Hindi, Nepali, Bengali

## **ACHIEVEMENTS**

- Successfully completed online certification in Adobe Design Fundamentals with AI (Coursera).
- Successfully completed online certification in Getting Started with Full Stack Java Development by Simplilearn.
- Successfully completed online certification in Full-Stack Development 101 from Simplilearn.

## **AREA OF INTEREST**

Passionate about Python and SQL, with a strong focus on software development, data-driven applications, and data analytics.

## **STRENGTHS**

- Analytical aptitude: I have a strong ability to analyse complex technical problems and implement effective, logical solutions.
- Core Programming Foundation: Strong understanding of system-level concepts through mastery of Python, enhanced by adaptability in Python for scripting and development. Intermediate in SQL and relational database concepts (MySQL) is necessary for handling backend data.
- Learning Agility: Demonstrated ability to study independently and quickly adopt new tools and technologies (the next step from beginner mentality).

## **PERSONAL PROFILE**

Name: Anil Chetri

Date of Birth: 27 April 2005

Hobbies: Reading books, listening to music, and playing video games

Permanent Address: JibanJote, Naksalbari, Darjeeling, West Bengal 734429

## **DECLARATION**

I hereby declare that all the above details provided are true to the best of my knowledge.

**(ANIL CHETRI)**
